Mantua Township: Where History, Community, and Heart Come Together

Mantua Township is a community built on history, heart, and togetherness. From the Barnsboro Inn, standing since 1720 as New Jersey's oldest operating tavern, to the ancient wonders of the Edelman Fossil Park and Museum of Rowan University, our story spans centuries and even millions of years. Our close proximity to Philadelphia, with views of its iconic skyline, connects Mantua Township to the broader story of our region and nation. The image of a fire truck traveling through town reflects the dedication, service, and caring spirit that keep our community vibrant and connected. Everyday life here blends historic landmarks, active neighborhoods, and local institutions that make Mantua Township a distinct place to live.

Dear Community Friends,

As we close out another successful year and embark into a promising 2026, I'm happy to share that Mantua continues to be recognized as a top town in Gloucester County and throughout Southern New Jersey by South Jersey Magazine.

Ranking number three in Gloucester County and number nine in South Jersey in 2025 was derived through data from the New Jersey State Police, the New Jersey Department of Education, and the state's Division of Local Government Services. A weighted formula that combined average property values and taxes, crime reports, and school performance numbers, etc., landed Mantua at the top of the charts once again.

Mantua is more than a place to live; it's a place where our neighbors look out for one another, where our schools, parks, and local businesses thrive, and where families can establish their roots with confidence. Whether it's our treasured history, strong community partnerships, the dedication of volunteers, or the steady progress of improvements through visionary leadership, Mantua stands out because of you, our incredible residents.

I want to personally thank everyone in our community who works tirelessly to make Mantua stronger, safer, and better each year. Our volunteers, our employees, our schools, our public safety and emergency services, our business owners, our residents, and even those who visit the great place we call home have created an impactful and lasting difference.

We're proud to be recognized as such a desirable place to live, play, and raise our families, and we will continue to work assiduously in 2026 to become an even stronger, more connected, and more vibrant community for everyone who belongs to the Mantua family.

I want to emphasize that effective communication and transparency will always be prioritized during my tenure as your mayor. I'm excited to announce that our soon-to-be-launched new township website will feature "Straight From The Mayor," a dedicated space on our homepage to better effectuate these efforts.

I enthusiastically look forward to my continued service with honesty, integrity, and trustworthy leadership. Thank you for allowing me the great privilege of serving in this cherished position of public trust.

The township committee and I want to wish you a very happy, healthy, and prosperous 2026.

Respectfully,

A handwritten signature in black ink, appearing to read "Robert T. Zimmerman".

Mayor Robert T. Zimmerman, MAS

OUR PARKS

Chestnut Branch Park - 545 Main Street

Named after the Chestnut Branch of Mantua Creek, Chestnut Branch Park offers over 109 acres of cared-for landscapes and facilities. The park features athletic fields, a newly built disc golf course, wooded hills, winding trails, and rich wildlife. As of November 2025, the playground now has a new rubberized surface that replaces woodchips, making it safer and more welcoming for all. The paved path around the fields is great for biking and walking, and it leads to the 9/11 Memorial Place of Reflection, a quiet space with shaded groves and benches. For more details on the walking trails, please visit www.mantuatownship.com.

Events at Chestnut Branch Park

The Mantua Township Recreation Committee hosts a variety of different events at Chestnut Branch Park, ranging from our Big Night Out to the Annual Winter Festival. Additionally, various children's programs, sponsored by the Gloucester County Board of Commissioners, are held at the park. For more information, please visit our website at www.mantuatownship.com.

Chestnut Branch Park Pavilion Rental

If you are interested in renting the Chestnut Branch Park Pavilion, please contact the Township office at 856-468-1500 ext. 113.

Ceres Park - 403 Pitman Road/940 Main Street

Ceres Park is a peaceful stretch of natural growth, home to a lively mix of mammals, reptiles, amphibians, and many bird species. Its winding trails move through upland and wetland forests, making the preserve feel larger than its 52 acres. A one-mile path starts at the parking lot and connects with several other trails that lead to views of Emerald and Cedar Lakes. The walking, jogging, and biking paths continue past the Chestnut Branch of Mantua Creek and into nearby county lands, giving visitors even more to explore. For details and a trail map, visit www.mantuatownship.com.

McCarson Park: Corner of Mercer Avenue and Mantua Boulevard

Formerly known as Sewell Playground, this park is now dedicated to Trooper Eli McCarson, who tragically lost his life in a 2015 on-duty car crash. It offers a welcoming play area for young children, basketball courts, and inviting picnic spots. A memorial plaque and a paver triangle shaped like a trooper's badge provide a heartfelt tribute. The park also serves as a stop along the Police Unity Tour, a 200+ mile cycling journey to Washington, D.C., honoring fallen officers.

PATRIOT DAY CEREMONY

The Gloucester County Patriot Day Ceremony is our way of continuing to remember the September 11th attacks.

The memorial service pays tribute to Gloucester County residents John Rodak, Nicholas W. Brandemarti, and Perry Thompson, who lost their lives during the attacks on September 11, 2001.

The ceremony begins at 8:30 AM at the Place of Reflection at Chestnut Branch Park, located on Main Street in Mantua. The ceremony features a twisted I-beam from the World Trade Center, a bell ringing to coincide with the timing of events, and the laying of wreaths.

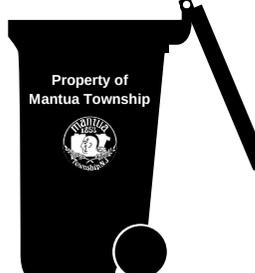

The Place of Reflection also includes a tribute to those who lost their lives at the Pentagon, as well as in Shanksville, PA.

The Pentagon Memorial Site features an 18-inch-tall sitting wall shaped like the Pentagon and a block from a wall of the Pentagon positioned at a distance of 9 ft. 11 in. from the flagpole. Additionally, 184 gray border pavers outline the sitting wall, representing the lives lost at the Pentagon site.

The Shanksville Memorial Site features a sealed container of soil and stones from the crash site of United Airlines Flight 93.

MANTUA TOWNSHIP AT A GLANCE

Mantua Township Highlights

In 2025, Mantua Township continued investing in enhancements that strengthen our community and elevate our shared spaces—most notably at the beautiful Chestnut Branch Park.

One improvement we are especially proud to unveil is the newly resurfaced playground. What was once woodchips has been transformed into a vibrant, rubberized surface featuring the Mantua Township seal, designed with safety, accessibility, and long-lasting enjoyment in mind. We hope park visitors of all ages enjoy this exciting upgrade for years to come.

Looking ahead, Mantua Township is also preparing to launch a new municipal website in 2026, designed to enhance community engagement and make it easier for residents to find the information and services they need—anytime, anywhere.

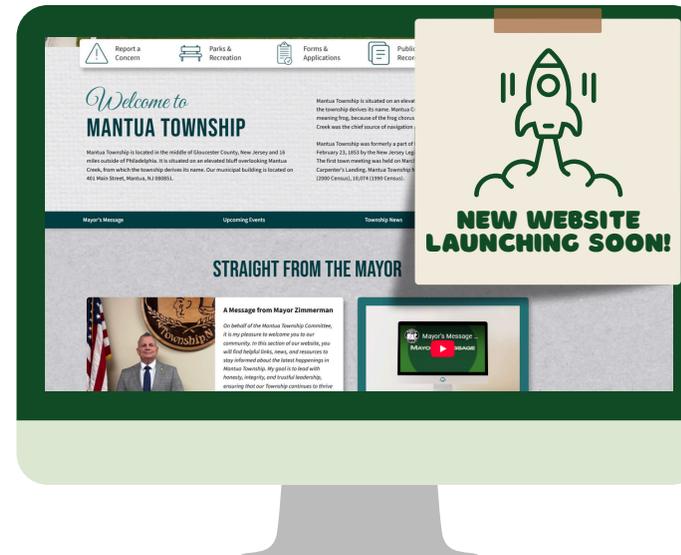

We remain committed to continuous improvement and innovation as we work to meet resident needs and enhance quality of life. Together, we look forward to building an even stronger, more connected Mantua Township.
